

Battery Boosting Picture This

Kare Zindagi Instant Start

no
sparks
flames
smoking

shield eyes
explosive gases
can cause blindness
or injury

sulfuric acid
can cause blindness
or severe burns

DANGER / POISON

flush eyes
with water
immediately,
get medical
help fast

if spilled
spread baking soda over
spill, then dilute with
large amount of
water

if swallowed
drink as much water
or milk as possible,
get medical
help fast

Safety Precautions

- Always wear proper eye, face and hand protection.
- Keep all sparks, flames and cigarettes away from the battery.
- Make sure work area is well ventilated.
- Never lean over battery while boosting, testing or charging.
- Exercise caution when working with metallic tools or conductors to prevent short circuits and sparks.

Keep out of reach of children
