Beyond Basic Driving: Valet Safety

There’s so much more to being a safe Valet than just driving. Not to say this program doesn’t cover safe driving; it does. But, it goes far beyond that and teaches your Valet how to take care of your customers in an effective way without compromising safety. The program covers detailed information gathered from professionals around the industry and loss control statistics. It’s a must see for new Valets or for experienced personnel who may have become complacent and need some retraining.
