### PROTECTING A CORRECTIONAL FACILITY BEYOND A REASONABLE DOUBT

Contraband has reached record levels in correctional facilities, but thankfully, detection technologies have come a long way. Step by step, here's how to find and choose the right vendor and technology to successfully counter contraband in your facility.

**108,539**

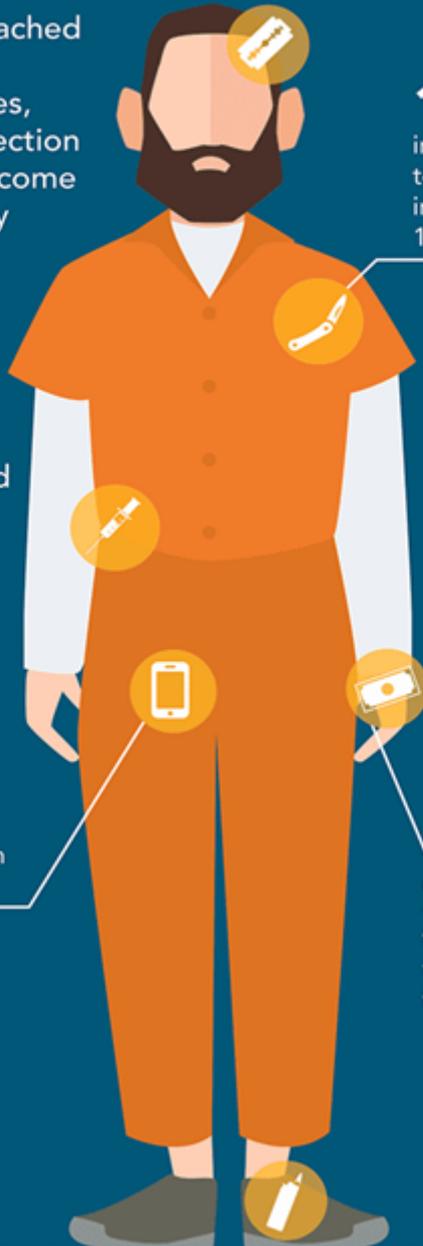

inmate incidents related to drugs and weapons in federal prisons in 1 month alone

**2x**

number of contraband incidents has more than doubled since 2008

**\$100,000**

total bribes to one C.O. to smuggle contraband for inmates
