Distracted Driving: Make The Correct Choice

In today’s busy world, distractions are everywhere, especially behind the wheel. Phones, Ipods, texting, talking, you name it, they’re all distractions. The temptation to use these devices behind the wheel is very real. This program identifies these hazards, exposes the dangers they present and offers practical advice on how to remain focused behind the wheel. Statistics show that up to 63% of all motor vehicle crashes are due in whole, or in part to distracted driving. In fact, distracted driving is rapidly becoming the largest contributor to serious and fatal vehicle crashes. This all-new video will help prevent you and your employees from becoming one of these statistics.
