

Farm Safety Photo Tips for Media Picture This

TAKE IT ONLINE

Use Facebook, Instagram, Twitter and YouTube to support your farming, connect with friends, coworkers, businesses and agriculture groups.

Facebook

React to posts — like, share or comment

Set up a business account for your farm to keep the community updated on seasonal events

Post images, videos and host Facebook Lives

Facebook Groups: For pulse-related news, advice and to share your ideas, connect with local farmers, researchers and other industry members on the USA PulsED group

Instagram

Share photos, videos, Instagram Stories and live video

Link your Facebook business page to post on both

Twitter

Share relevant articles and pictures

Add hashtags (#) to identify keywords and topics
#harvest #agriculture #MyPulseFarm

Retweet posts to share and like or reply to posts you want to interact with

Follow @USAPulsED to get pulse industry updates

YouTube

USA Pulses has videos of webinars, discussions, risk management tools and more
