## B.C. FLAGGER SAFETY

There are between 5,000 and 6,000 traffic control persons (TCPs), or flaggers, working in B.C. Here is data on roadside worker deaths and injuries from being hit by a vehicle, courtesy of WorkSafeBC.

**12**  
deaths

**218**  
injuries

between 2008 and 2017.

of those  
almost

**50%**  
were  
**TCPs**

Examples of roadside workers include: TCPs, municipal workers, landscapers, telecommunications and utility workers, tow truck drivers and first responders.
