Office Safety Checklist

PREAMBLE

Molten metal iron works, plastic and chemical plants harbor very serious and dangerous materials/products and work practices. Compare this work environment with white collar office environment.

Compared to the molten metal and massive machines found in workplaces, office hazards seem pretty tame.

The white-collar office environment has a plethora of ways office employees are injured.

1. Slips, trips and falls.
2. Fires.
3. Chemical hazards.
4. Lifting.
5. Heavy objects.
6. Office entanglement.
7. Office collisions
