Preventing Slips, Trips and Falls for Ski Area Employees — (8 min)

Ski Areas — snow — ice -water — slippery surfaces — they increase the potential for a slip, trip or fall. But does this mean a slip, Trip or fall HAS to happen? Of course not. Slips, trips and Falls are preventable and that's what this program is all about — prevention. The program examines some common slip, trip and fall accidents common to ski areas and examines the root causes of each.
