

Returning to the Workplace During COVID-19

ON DEMAND WEBINAR SERIES

As you start to return your employees to work, navigating the impacts of COVID-19 will undoubtedly be a challenge. To help provide you with guidance and best practices to keep your employees safe, we're hosting a three-part Safety Webinar Series.

By the end of the series, you'll have a return-to-work plan drafted!

In this series you'll learn how to:

- Assess employees' risk exposure to COVID-19
- Develop a plan and identify controls
- Put your plan in action

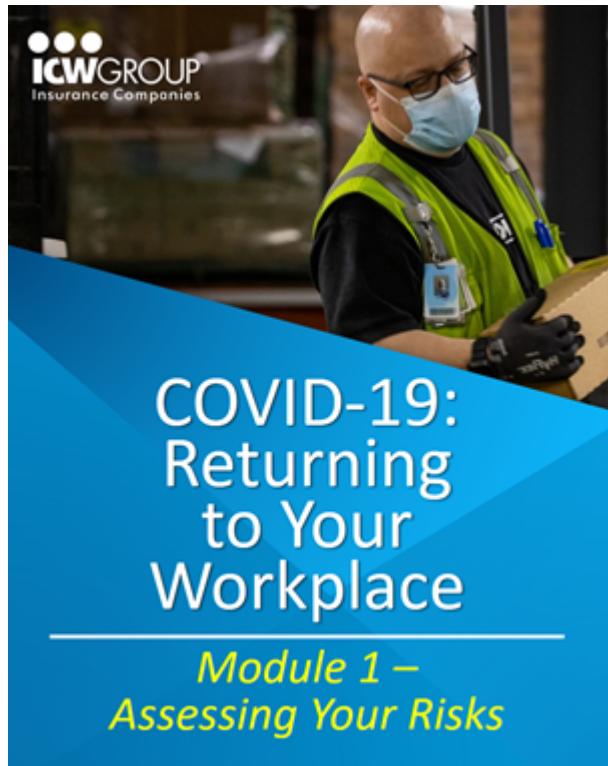

Watch Module 1: Assess Your Risk

Watch Module 2: Develop a Plan and Put Controls in Place

Watch Module 3: Put Your Plan in Action
