

Tractor Safety Infographic

TRACTORS

are the leading cause of agricultural-related

DEATHS

with about

125 per year

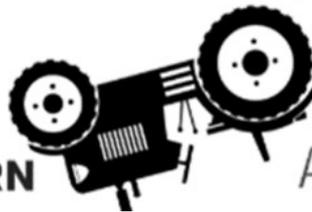

Other deaths involve livestock, falls from heights, and suffocation from grain or gasses.

THAT'S ALMOST
ONE DEATH EVERY
THREE DAYS

\$1,000,000

is the mean cost of a

TRACTOR OVERTURN

THE ANNUAL COST

of occupational

injuries in

AGRICULTURE is

\$8.3

BILLION
