Work Comp Anti-Fraud Training

Course Description

ICW Group’s Anti-Fraud Training has everything you need to find out how workers’ compensation insurance works to keep you safe and protect you from work comp fraud. Employers and employees alike can watch this video to hear what to do in case of a workplace injury, how to avoid falling prey to a workers’ comp scam, and how workers’ compensation fraud is investigated. You’ll also hear real workers’ comp fraud stories, and learn signs of workers’ comp fraud, as well as consequences of workers’ comp fraud. Also, key to your safety from workers’ compensation fraud, you’ll find out how to report workers’ compensation fraud as well. So, get started today!
